

SPEAKER LUEDTKE: If that is the pleasure of this body.

PRESIDENT: Will you please change the order?

SPEAKER LUEDTKE: If that is what they want to do or they can get to 809, I don't care.

PRESIDENT: Then it is your change of order that 800 be taken up at this time.

SPEAKER LUEDTKE: If it will avoid all of the game playing, why I will.

PRESIDENT: All right, but is there a change of order? Does anyone wish to challenge that? Senator Keyes. Senator Keyes.

SENATOR KEYES: Mr. Speaker, there is a bingo bill coming up which Senator Johnny DeCamp has a lot of amendments to, completely changing the bill, and I think we just as well take that one before we get the other one because I have some amendments to 800 I want printed in the Journal.

SENATOR KEYES: Would it be possible, then, to follow what has been the practice of this Legislature that ever bill that is passed over now go to the bottom of General File.

PRESIDENT: Now, wait, wait.

SENATOR KEYES: Well, that is one of the debatable issues.

PRESIDENT: We are going to decide whether we are challenging the Speaker's order.

SPEAKER LUEDTKE: 25 votes can keep it from happening, that's right.

PRESIDENT: Now there is nothing before this body right at this time unless you want to move to overrule the Speaker's order, Senator Keyes. Senator Schmit, your light is still on. It is therefore the Speaker's order to take up LP 800. Mr. Clerk.

CLERK: Mr. President, LP 800 was a bill introduced by
